Registering for Planned Classes

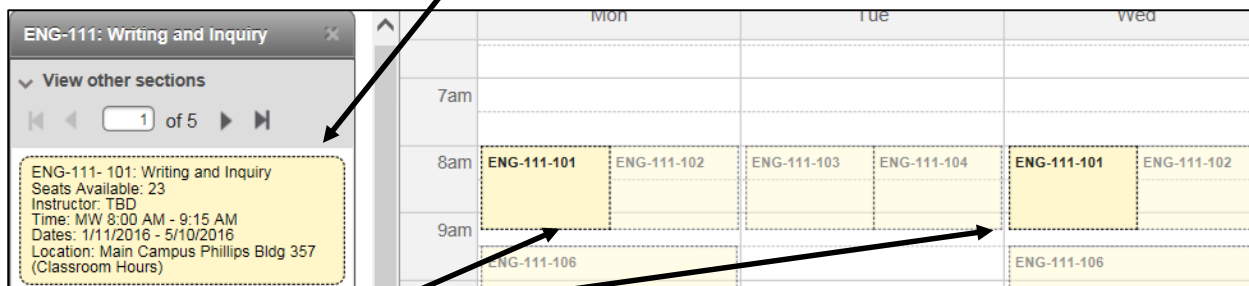

1. Select the "Plan and Schedule" tab

2. Select the "Schedule" tab and use the forward arrow to progress to the appropriate semester

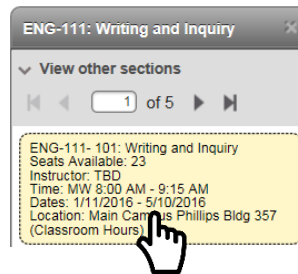

Selecting "View other sections" will display course options

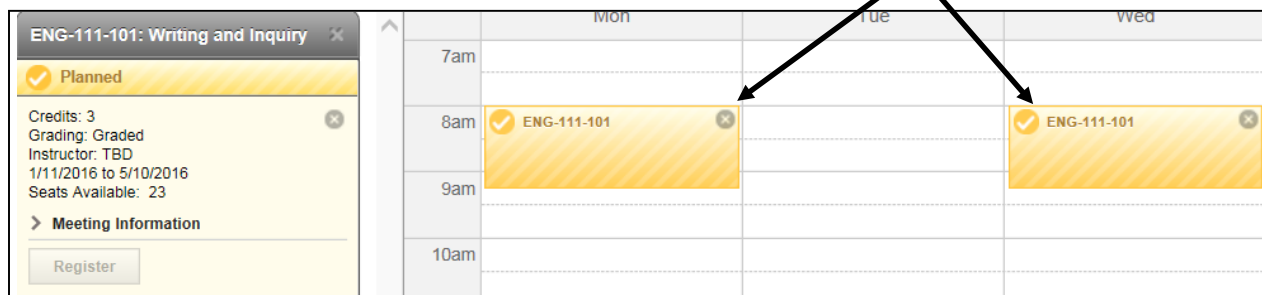

Hovering your mouse over each section in the menu will display the course and lab meeting times on your weekly schedule

3. To add the class to your planned schedule, simply left-click on the section within the menu

Your selected course will appear on your schedule as a bright yellow "planned" course and the other options will disappear.

4. To register for your selected classes, select the "Register Now" option

Filtering courses from your course plan

Select the "Plan and Schedule" tab

Plan & Schedule

Selecting the  option will allow you to filter your course options by several different criteria.

Filter only open Courses

Search by location (campus and online Options)

Search for classes held on specific days of the week

Look for classes held at specific times

Look for classes taught by a particular instructor

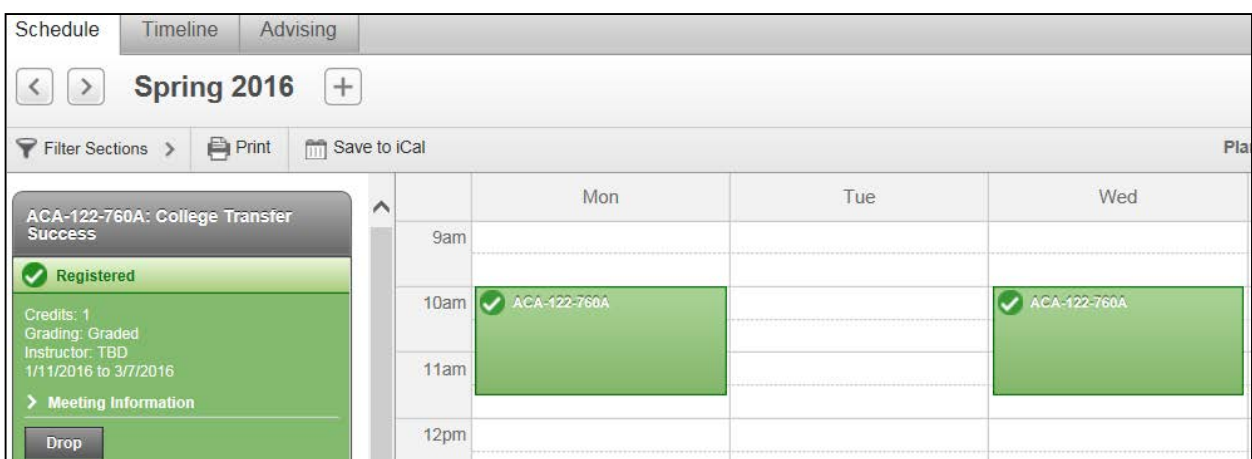

How do I know that my registration was successful?

There are several ways that you can confirm that your registration was processed.

You will receive a notification in the upper right-hand corner of the page notifying you either that you are successfully registered, or that your registration was not processed. If you were not registered, the notification alert will indicate the reason(s) why.

Currently registered courses will appear in dark green on your schedule.

You will also have the option to Drop the class(es).

Please Note: Make sure to pay for classes by the tuition deadline to avoid being dropped for non-payment.
