**Inspirational Testimony and Generous Gift Presented at Bladen Community College Board Meeting**

**DUBLIN, NC** — The regular meeting of the Bladen Community College Board of Trustees held Tuesday evening was marked by a heartfelt and inspiring moment, as the daughters of Board Chair Mr. Dennis Troy shared their personal stories of growth and success that began at Bladen Community College.

The sisters spoke powerfully about the impact the college had on their lives, crediting their time at Bladen Community College as a key foundation for their academic and professional achievements. Their testimony was both moving and motivational, serving as a powerful reminder of the college's mission and reach.

In a meaningful gesture that underscored their gratitude, the Troy family also presented a generous gift to the Bladen Community College Foundation in support of the **Dennis Troy Endowed Scholarship**. The scholarship will support future students, helping them to access the same opportunities that launched the careers of Mr. Troy's daughters.

Mr. Dennis Troy has served as a dedicated member of the Bladen Community College Board of Trustees for over 30 years, with many of those years as Board Chair. A passionate advocate for students, Mr. Troy is also an active leader within the North Carolina Association of Community College Trustees (NCACCT), where he continues to be a strong voice for access and excellence in community college education.

During the meeting, Mr. Troy reflected on the legacy of the late Mr. Essie Williams, a former and well-respected board chair, often quoting his memorable words:

**"If Bladen Community College has done something for you, go tell someone!"**

This sentiment was fully embodied by the Troy family's testimony and their commitment to giving back, leaving a lasting impression on all in attendance.
