## **Bladen Community College Offers Community Enrichment Classes in February and March**

Bladen Community College will offer a variety of Community Enrichment classes this February and March, featuring creative, musical, and educational opportunities for learners of all experience levels.

“We’re excited to bring back *Introduction to the Old Testament* by popular demand and to expand our online options so more people can learn from home,” said Karen Rideout, Community Enrichment Facilitator at Bladen Community College. “Our goal is to make learning accessible, engaging, and affordable for the community.”

Classes include Spice Road to India, a hands-on culinary class exploring traditional Indian dishes and spices, on Thursday, Feb. 19, from 6 to 8:30 p.m. This class will be held at the Booker T. Washington Center in Clarkton.

Other offerings include Heart Garland Craft Class (Feb. 3); Instant Piano for Busy People (online, Feb. 23); Instant Guitar for Busy People (online, Feb. 24); Ukulele for Beginners (March 16, 30, and April 13); and Introduction to the Old Testament (March 19–April 30).

Unless otherwise noted, classes are held at Bladen Community College or online and may be canceled if minimum enrollment is not met. For registration and additional information, visit [BladenCC.edu](http://BladenCC.edu) or call 910-879-5500. You may also register online at <https://bladencc-register.fundfive.com/filtered/course/community-enrichment>
