Second Annual Pheasant Tower Shoot Set for March 7 at Allen Brothers Outdoors
Fundraiser Benefits Bladen Community College Foundation

Dublin, NC – The Bladen Community College Foundation is excited to announce its Second Annual Pheasant Tower Shoot, scheduled for Saturday, March 7, 2026, beginning at 9:00 AM, at Allen Brothers Outdoors. Building on the success of last year’s inaugural event, this popular fundraiser invites hunting enthusiasts and community members to enjoy a memorable morning outdoors while supporting student success at Bladen Community College.

The event will kick off at 9:00 AM with breakfast refreshments, followed by clay shoot practice, the pheasant tower shoot, and will conclude with a delicious lunch. Participants will enjoy a well-organized, high-energy hunting experience designed for both seasoned sportsmen and those looking for a unique outdoor event.

The cost is \$300 per person, which includes lunch. All participants will also take home cleaned and dressed pheasants, so attendees are encouraged to bring coolers.

Proceeds from the Pheasant Tower Shoot benefit the Bladen Community College Foundation, helping fund scholarships, student support services, and academic program enhancements that make a lasting impact on students and the community.

Looking for a unique Valentine’s Day gift for the hunting enthusiast in your life? Gift certificates are available through the Bladen Community College Foundation Office. To purchase or for more information, please call 910.879.5634.

The Foundation is proud to partner once again with Allen Brothers Outdoors and looks forward to another successful event that celebrates Bladen County’s outdoor traditions while supporting higher education.

About Bladen Community College Foundation

The Bladen Community College Foundation is a non-profit organization dedicated to supporting Bladen Community College through fundraising, scholarships, and program initiatives that enhance educational opportunities for students. The Foundation works to ensure students have the resources they need to succeed academically and professionally, contributing to the long-term growth and development of Bladen County.

For additional details or registration information, please contact the Bladen Community College Foundation at 910.879.5634.
